

Intelligent Communication, Control and Devices

Proceedings of ICICCD 2025, Volume 2

This book focuses on the integration of intelligent communication systems, control systems, and devices related to all aspects of engineering and sciences. It includes high-quality research papers from the 7th International Conference on Intelligent Communication, Control, and Devices (ICICCD 2025), organized by the Department of Electrical & Electronics Engineering, School of Advanced Engineering, at UPES, Dehradun, India, during June 19–20, 2025. The topics covered are a range of recent advances in intelligent communication, intelligent control, intelligent devices, and sustainable technologies.
