Intelligent Human Centered Computing

Proceedings of HUMAN 2026

This book features high-quality research papers presented at the Fourth Doctoral Symposium on Human Centered Computing (HUMAN 2026), jointly organized by Computer Society of India, Kolkata Chapter and Department of CSE (AI & ML), Techno Bengal Institute of Technology, Kolkata, India, during March 28–29, 2026. This book discusses the topics of modern human centered computing and its applications. The book showcases the fusion of human sciences (social and cognitive) with computer science (human–computer interaction, signal processing, machine learning, and ubiquitous computing).
