The Fergusonian Impact

In Honor of Charles A. Ferguson on the Occasion of his 65th Birthday. Volume 1: From Phonology to Society. Volume 2: Sociolinguistics and the Sociology of Language

No detailed description available for "The Fergusonian Impact".

The Contributions to the Sociology of Language series features publications dealing with sociolinguistic theory, methods, findings and applications. It addresses the study of language in society in its broadest sense, as a truly international and interdisciplinary field in which various approaches - theoretical and empirical - supplement and complement each other. The series invites the attention of scholars interested in language in society from a broad range of disciplines - anthropology, education, history, linguistics, political science, and sociology.
