

Predigten 1816-1819

Im 5. Band der 3. Abteilung der KGA finden sich Predigten zu 112 Terminen aus den Jahren 1816–1819, zu denen ergänzend zugehörige Liederblätter Friedrich Schleiermachers publiziert werden. Die 93 Predigttermine, für die bisher keine Veröffentlichungen vorlagen, basieren auf Predigtmitschriften von fremder Hand, vornämlich von Ludwig Jonas. Zu den 9 Predigten, die Schleiermacher in seiner 4. Predigtsammlung selbst publiziert hat, sind Predigtmitschriften von Jonas erhalten, die den Unterschied zwischen gepredigtem Wort und für den Druck bearbeitetem Text gut erkennen lassen. Die im Jahr 1817 begonnenen Homilien zum Philipperbrief erhalten ein besonderes Profil durch den Vergleich mit der zweiten Homilienreihe von 1822/23.

Friedrich Schleiermacher (1768–1834) had an extraordinary impact on the thinking of his time, and he reached his contemporaries in many ways through his sermons. The 5th volume of section III of the Complete Critical Edition includes sermons for 112 dates from the years 1816–1819. Among these sermons, 93 have never been previously published. This is thus the very first comprehensive documentation of Schleiermacher's work as a preacher in Berlin.

Friedrich Daniel Ernst Schleiermacher (1768 - 1834) was, in Berlin, an eminent preacher, professor, and member of the academy. He displayed an influential theological and philosophical position between enlightenment, German idealism, and romanticism. The historical-critical edition of Schleiermacher's complete works, his unpublished writings and correspondence, published since 1980, has been divided into the following five sections: I. Writings and Drafts II. Lectures III. Sermons IV. Translations V. Correspondence and Biographical Documents The first editorial section, Writings and Drafts, includes all of Schleiermacher's writings which were printed during his lifetime except those which belong to the editorial sections III and IV. It also includes manuscripts either relating to these printed works or to drafts which do not belong to other editorial sections. In 2003, the final two text volumes (vols. 13 and 14) appeared. In 2005, the index volume with some addenda was published. The second editorial section, Lectures, contains all the material regarding Schleiermacher's extensive lecturing both in Theological and Philosophical Faculties. Additional material is also drawn from notes made in his lecture by his students. (The Berlin Research Centre has been carrying out the editorial work on this section since 1989.) The third section, Sermons, includes all of Schleiermacher's published sermons authorised by himself, as well as his own handwritten drafts and records by listeners where the original text has not been preserved. (The Kiel Research Centre has been working on this section between 2003 and 2017.) This edition of Schleiermacher's sermons consist of a total of 14 volumes of approximately 600 pages each, plus an index volume. The forth section, Translations, has two main components. Schleiermacher translated Hugh Blair's and Joseph Fawcett's sermons (as well as parts of Mungo Park's Travels in the Interior Districts of Africa) from English into German (volumes 1 and 2). Further this sections will contain Schleiermacher's translation of Platon from Greek into German (beginning with volume 3). Section V. includes the letters from and to Schleiermacher, as well as bibliographical documents. The work on this section started in 1979 in the Schleiermacher Research Center Berlin. So far (May 2020), 13 volumes have been published, documenting letters until December 1816.
