

High Performance Computing and Applications

Third International Conference, HPCA 2015, Shanghai, China, July 26-30, 2015, Revised Selected Papers

This book constitutes the thoroughly refereed proceedings of the Third International Conference on High Performance Computing and Applications, HPCA 2015, held in Shanghai, China, in July 2015.

The 24 revised full papers presented were carefully reviewed and selected from 50 submissions. The papers cover the following research areas: numerical algorithms and solutions; high performance and grid computing; novel approaches to high performance computing; massive data storage and processing; hardware acceleration; applications.
