

Developments in Islamic Finance

Challenges and Initiatives

This book presents empirical research that addresses the latest issues and innovative products in Islamic banking and finance around the world. Chapters from expert contributors cover a wide range of topics, including the various issues in stock markets, an overview of takaful, a roadmap for introducing Islamic finance to uncharted territories and an in-depth analysis of the current challenges.

Case studies and statistics provide up to date information that can be used for future research. This book will be of interest to academics and researchers who wish to learn more about the challenges of Islamic finance and economics.
