

## Clinical Ethics Consultation Toolkit

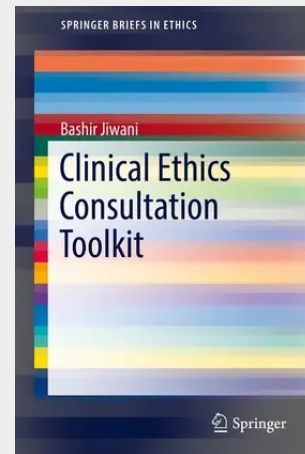

---

Provides a comprehensive step-by-step method for providing clinical ethics consultation services

Contains systematic decision process for arriving at concrete solutions to specific, challenging questions

Offers support in a context of professional diversity

This workbook is a companion to Clinical Ethics Consultation: A Practical Guide to Changing Culture, Building Capacity and Solving Problems Case by Case. The Toolkit lays out the process for clinical ethics consultation in a series of steps within five phases: Pre-Consult, Interviews, Mid-Consult, Consult meeting(s), and Post-Consult. For each step, the Toolkit provides directions for how to complete it, tips for success, and worksheets for capturing data and analysis. The Clinical Ethics Consultation Toolkit is the playbook from which clinical ethics consultants can draw methods and strategies for effectively delivering ethics consultation.
