This book constitutes the refereed proceedings of the 11th International Conference on Database Systems for Advanced Applications, DASFAA 2006, held in Singapore in April 2006. 46 revised full papers and 16 revised short papers presented were carefully reviewed and selected from 188 submissions. Topics include sensor networks, subsequence matching and repeating patterns, spatial-temporal databases, data mining, XML compression and indexing, xpath query evaluation, uncertainty and streams, peer-to-peer and distributed networks and more.

Welcome to the 11th International Conference on Database Systems for Advanced Applications (DASFAA 2006)! This year's conference was held in Singapore where DASFAA was last held in 1997. DASFAA 2006 continued the tradition of providing an international forum for technical discussion among researchers, developers and users of database systems from academia, business and industry. Organizing DASFAA 2006 was a very rewarding experience—it gave me an excellent opportunity to work with many colleagues both within and outside Singapore. I would like to thank Kian-Lee Tan and Vilas Wuwongse for putting together a world-class Program Committee. The committee worked very hard to bring a high-quality technical program to the conference. DASFAA 2006 also included an industrial track. David Cheung and Hwee Hwa Pang co-chaired this track and set up a separate committee to assess the quality of the submitted papers. The conference also featured three tutorials: (1) Database Watermarking by Radu Sion, (2) Multilingual Database Systems by Jayant R. Haritsa, and (3) Video Sequence Indexing and Query Processing by Xiaofang Zhou, and a panel session. I would like to thank Ee Peng Lim and Krithi Ramamritham for their effort in organizing the tutorials and panel, respectively. This conference would not have been possible without the support of many other colleagues: Tok-Wang Ling (Honorary Conference Chair), Mong Li Lee (Publication Chair), Masatoshi Yoshikawa (Publicity Chair), Sourav Saha Bhowmick and Anthony Kum Hoe Tung (Local Arrangement Co-chairs), Chee Yong Chan (Treasurer), and Mrs. Siew Foong Ho (Secretary).
