

Logic Programming

to thank all the authors of the submitted papers, the Program Committee members, and the referees for their time and effort spent in the viewing process, the conference chair Tony Kakas and his team at the University of Cyprus for the excellent organization of the conference, and Toby Walsh, the CP2001 program chair, for his constant cooperation and interaction. Last but not least, special thanks to Yoann Fabre at the University of Paris 6 for taking care of installing and maintaining the paper review system.
