Computer Security - ESORICS 2006

11th European Symposium on Research in Computer Security, Hamburg, Germany, September 18-20, 2006, Proceedings

This book constitutes the refereed proceedings of the 11th European Symposium on Research in Computer Security, ESORICS 2006. The 32 revised full papers presented were carefully reviewed and selected from 160 submissions. ESORICS is confirmed as the European research event in computer security; it presents original research contributions, case studies and implementation experiences addressing any aspect of computer security - in theory, mechanisms, applications, or practical experience.

Theseproceedingscontainthe papersselectedfor presentationatthe 11thEu- pean Symposium on Research in Computer Security – ESORICS, held in H- burg, Germany, September 18-20, 2006. The 160 papers submitted to ESORICS were each reviewed by at least three members of the programcommittee. A two-week discussion phase was then held electronically, where committee members could comment on all papers and all reviews. Finally, 32 papers were selected for presentation at ESORICS, giving an acceptance rate of about 21%.
In2005,threespecializedsecurityworkshopswereorganizedina?liationwith ESORICS. This trend has continued. In addition to RAID, which is already a wellestablishedevent inits ownright,therewerefour moreworkshopsthis year, ESAS 2006, EuDiRights 06, STM 06, and FEE2, further strengthening the r^ ole of ESORICS as the major European conference on security research. Thereweremanyvolunteerswhoo? eredtheirtimeandenergytoputtogether the symposium and who deserve our acknowledgment. We want to thank all the members of the program committee and the external reviewers for their hard work in evaluating and discussing the submissions. We are also very grateful to all those people whose work ensured a smooth organization: Joachim Posegga, who served as General Chair; Andreas Gun ¨ ter and his team at HITeC for t- ing on the conference management; Klaus-Peter Kossakowski for his e?orts as SponsorshipChair;JanMeierformanagingtheESORICSWebsite,andJoachim Stehmann for the Web design; and Martin Johns for dealing with the growing number of a?liated workshops. Last, but certainly not least, our thanks go to all the authors who submitted papers and all the attendees. We hope you found the program stimulating.
