Central European Functional Programming School

First Central European Summer School, CEF 2005, Budapest, Hungary, July 4-15, 2005, Revised Selected Lectures

This volume presents eight carefully revised texts of selected lectures given by leading researchers of the field at the first Central European Functional Programming School, CEF 2005, held in Budapest, Hungary, in July 2005. The eight revised full papers presented were carefully selected during two rounds of reviewing and improvement for inclusion in the book. The lectures cover a wide range of topics such as new programming language concepts for subtyping.
