

Computer Aided Verification

6th International Conference, CAV '94, Stanford, California, USA, June 21-23, 1994.
Proceedings

This volume contains the proceedings of the 6th Conference on Computer Aided Verification, held at Stanford University in June 1994. The in total 37 included papers were selected in a highly competitive reviewing process from 121 submissions; in total they document many of the most important advances achieved in CAV research and applications since the predecessor conference held in June 1993. The volume is organized in sections on Real-Time Systems, CAV Theory, CAV Applications, Symbolic Verification, Hybrid Systems, Model Checking, Improving Efficiency, and Hardware Verification.
