

## Object Representation in Computer Vision

International NSF-ARPA Workshop, New York City, NY, USA, December 5 - 7, 1994.  
Proceedings

This book documents the scientific outcome of the International NSF-ARPA Workshop on Object Representation in Computer Vision, held in New York City in December 1994 with invited participants chosen among the recognized experts in the field.

The volume presents the complete set of papers in revised full-length versions. In addition, the first paper is a report on the workshop in which the panel discussions as well as the conclusions and recommendations reached by the workshop participants are summarized.

Altogether the volume provides an excellent, in-depth view of the state of the art in this active area of research and applications.
