

Advances in Spatial Databases

5th International Symposium, SSD'97, Berlin, Germany, July 15-18, 1997 Proceedings

This book constitutes the refereed proceedings of the Fifth International Symposium on Spatial Databases, SSD '97, held in Berlin, Germany, in July 1997.

The 18 revised full papers presented were carefully selected from a total of 55 submissions. Also included are two keynote contributions. The papers are organized in topical sections on spatial similarities, geo-algorithms, spatial constraint databases, spatial query processing, systems, spatial data models and spatial access methods.
