Financial Cryptography

First International Conference, FC '97, Anguilla, British West Indies, February 24-28, 1997. Proceedings

This book constitutes the strictly refereed post-proceedings of the First International Conference on Financial Cryptography, FC '97, held in Anguilla, BWI, in February 1997. The 31 revised contributions presented were carefully reviewed and revised for inclusion in the book. The book provides a unique synopsis on financial cryptography, taking into account the views and ideas of cryptographers, security experts, computer hackers, lawyers, bankers, journalists and administrative professionals. The papers cover the whole spectrum of the security of financial transactions or digital commerce in general, ranging from pure cryptosystems to the technology of electronic money to legal and regulatory policy issues.
