This work includes international secondary literature on anti-Semitism published throughout the world, from the earliest times to the present. It lists books, dissertations, and articles from periodicals and collections from a diverse range of disciplines. Written accounts are included among the recorded titles, as are manifestations of anti-Semitism in the visual arts (e.g. painting, caricatures or film), action taken against Jews and Judaism by discriminating judiciaries, pogroms, massacres and the systematic extermination during the Nazi period. The bibliography also covers works dealing with philo-Semitism or Jewish reactions to anti-Semitism and Jewish self-hate. An informative abstract in English is provided for each entry, and Hebrew titles are provided with English translations.
