

The EPPO/OLAF Compendium of National Procedures: Belgium

Desktop codes on the procedural law of the Member States with annotations by national experts

This Belgian EPPO/OLAF volume focuses on criminal and administrative investigations in Belgium. It includes a comprehensive collection of material relating to Art. 26–33 EPPO Regulation and Art. 3–17 OLAF Regulation, addressing the national statutory law relating to Belgian fraud investigations. The handbook contains translations, a synopsis of the EPPO adoption law (17 FEVRIER 2021. - Loi portant des dispositions diverses en matière de justice) and a list of the most important PIF offences (De PIF-misdrijven in België). Prof Dr Frank Verbruggen and Pieter van Rooij have acted as the publication's national experts. While written in English, the volume includes footnotes that reproduce the original Belgian legislation in French. Easily navigable with the help of visual symbols, it is designed as a quick reference tool for academics, students, practitioners and other interested readers.
