## Progress in Wall Turbulence: Understanding and Modeling

Proceedings of the WALLTURB International Workshop held in Lille, France, April 21-23, 2009

This book will consist of a coherent collection of recent results on near wall turbulence including theory, new experiments, DNS, and modeling with RANS, LES and Low Order Dynamical Systems.

This book will consist of a coherent collection of recent results on near wall turbulence including theory, new experiments, DNS, and modeling with RANS, LES and Low Order Dynamical Systems.
