

Intelligence Computation and Applications

16th International Symposium, ISICA 2025, Guangzhou, China, November 15–16, 2025, Revised Selected Papers, Part I

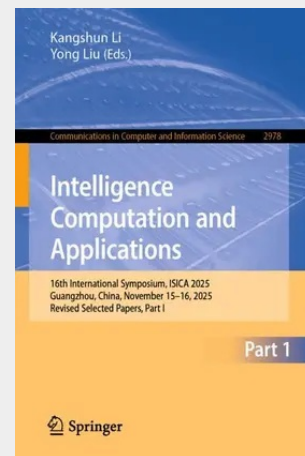

This two-volume set, constitutes the revised selected papers of the 16th International Symposium on Intelligence Computation and Applications, ISICA 2025, held in Guangzhou, China, during November 15-16, 2025.

The 63 full papers included in these proceedings were carefully reviewed and selected from 178 submissions. They were organized in the following topical sections:

Part I : Frontiers of Evolutionary Intelligent Optimization Algorithms; Intelligent Systems and Detection Technology.

Part II : Exploration of Computer Vision; Machine Learning and Its Applications; AI Empowering Education and Design Innovation.
