

Beyond the Badge: Strategic Innovations and Global Approaches in Policing

Proceedings of 4th World Police Summit (Wps), Dubai Police, Dubai, Uae, 2025

This open access proceedings of 4th World Police Summit (WPS2025) presents cutting-edge research and practical insights from the world's leading law enforcement experts. It captures the most pressing challenges in modern policing, offering innovative strategies and solutions across critical areas such as financial crime, anti-narcotics operations, cybersecurity, AI-driven policing, forensic analysis, police education and training. With its multidisciplinary approach, integrating real-world case studies, advanced technologies, and global best practices, the book provides actionable insights for law enforcement professionals, policymakers, and researchers, with an emphasis on technological advancements and international collaboration. The book covers topics ranging from the use of AI and predictive policing to combat crime, to the latest innovations in drug enforcement, digital fraud prevention, and traffic security.

By showcasing global perspectives and the latest law enforcement strategies, this volume offers a comprehensive roadmap for shaping the future of policing in the digital era. Whether you are a practitioner or an academic, this collection provides the tools and knowledge needed to navigate the evolving landscape of global law enforcement.
