

Advances in Artificial-Business Analytics and Quantum Machine Learning

Select Proceedings of the 3rd International Conference, Com-IT-Con 2023, Volume 2

The book presents select proceedings of the 3rd International Conference on "Artificial-Business Analytics, Quantum and Machine Learning: Trends, Perspectives, and Prospects" (Com-IT-Con 2023) held at the Manav Rachna University in July 2023. It covers the topics such as artificial intelligence and business analytics, virtual/augmented reality, quantum information systems, cybersecurity, data science, and machine learning. The book is useful for researchers and professionals interested in the broad field of artificial intelligence engineering.
