

Comparative Political Studies

For more than 40 years, Comparative Political Studies has been the place to turn for the most timely information on methodology, theory, and research in the field of comparative politics. The international political arena has become increasingly complex and active. As a result, interest and work in this field of study has grown dramatically in recent years. To keep up with the demand for scholarship, Comparative Political Studies has expanded its publishing frequency. Now you'll receive ten issues each year, filled with articles that are timely, cover a wide variety of topics, and are authored by the best people in the field.
