John Wiley & Sons

Curator: The Museum Journal

Curator: The Museum Journal provides a platform for museum professionals to explore, debate, and discuss the current practices, issues, and policies that museums are facing. As a museology and museum studies journal, it presents perspectives from global experts and practitioners on the cutting-edge of museum innovation and development. Through reviews, forums, and commentaries, the journal lets readers keep abreast of what fellow professionals are saying about the most pressing challenges faced by the museum sector.
