

Primary Care: Clinics in Office Practice

Primary Care: Clinics in Office Practice updates you on the latest trends in patient management, keeps you up to date on the newest advances, and provides a sound basis for choosing treatment options. Each quarterly issue (March, June, September, and December) focuses on a single topic in primary care. Topics covered include allergy and immunology, cardiology, adolescent health, endocrinology, ENT, gastroenterology, geriatrics, hematology/oncology, infectious disease, gynecology and women's health, nephrology, neurology, orthopedics/sports medicine, pediatrics, preventive medicine, psychiatry, rheumatology, and urology.
