

Economic Development Quarterly

The Journal of American Economic Revitalization

The mission of Economic Development Quarterly is to promote research supporting the formulation of evidence-based economic development and workforce development policy, programs, and practice in the United States. The focus of EDQ is high quality research in economic and workforce development policy and practice within the United States. This research can be scholarly, applied or practice-oriented. EDQ takes a broad view of economic development policy and practice by encompassing both labor supply and demand-side research perspectives. Workforce development strategies, policies, programs, and practices are crucial components to regional economic development and therefore will remain a special focus for EDQ.
