Ageing & Society

Ageing & Society is an interdisciplinary and international journal devoted to the understanding of human ageing and the circumstances of older people in their social and cultural contexts. It draws contributions and has readers from many disciplines including gerontology, sociology, demography, psychology, economics, medicine, social policy and the humanities. Ageing & Society promotes high-quality original research which is relevant to an international audience to encourage the exchange of ideas across the broad audience of multidisciplinary academics and practitioners working in the field of ageing.
