

John Wiley & Sons

IUBMB Life

IUBMB Life is devoted to the publication of research and review articles in the broadly defined fields of biochemistry, molecular biology, cell biology, structural biology, and molecular medicine. The journal publishes interdisciplinary, basic to translational research and covers all fields in life sciences at every level of organization. We welcome contributions from authors throughout the world. IUBMB Life is the flagship journal of the International Union of Biochemistry and Molecular Biology (IUBMB).
