

SAGE Publishing

HAND

Official journal of the American Association for Hand Surgery

HAND is an internationally peer-reviewed journal that publishes articles written by clinicians detailing current research and clinical work in the field of hand surgery. Combining multidisciplinary expertise from surgical, medical, hand therapy, and other health care professional specialties, HAND publishes original clinical and basic science articles, comprehensive critical reviews and unique case reports related to the management of pathologies in the hand and upper extremity. HAND is the publication and official journal of the American Association for Hand Surgery and the official journal of the Romanian Society for Surgery of the Hand.
