Computer Supported Cooperative Work (CSCW)

The Journal of Collaborative Computing and Work Practices

Computer Supported Cooperative Work (CSCW) disseminates innovative research results and provides an interdisciplinary forum for the debate and exchange of ideas concerning theoretical, practical, technical, and social issues in CSCW. The journal encompasses the diverse nature of research within the field and its related areas. Coverage ranges from ethnographic studies of cooperative work to reports on the development of CSCW systems and their technological foundations.
