Nietzsche-Studien

Internationales Jahrbuch für die Nietzsche-Forschung

Friedrich Nietzsche has emerged as one of the most important and influential modern philosophers. Nietzsche-Studien is the premier publication shaping the field of Nietzsche studies. Interdisciplinary in orientation, and with a global reach, Nietzsche-Studien reflects the entire spectrum of research on Nietzsche, from philosophy to literary studies and political theory. By combining philosophical argument with historical context and textual precision, Nietzsche-Studien continues to set the agenda in the rapidly growing and changing field of Nietzsche scholarship.
