

Arbitration International

Launched in 1985, Arbitration International provides quarterly coverage for national and international developments in the world of arbitration. The journal aims to maintain balance between academic debate and practical contributions to the field, providing both topical material on current developments and analytic scholarship of permanent interest. Arbitrators, counsel, judges, scholars and government officials will find the journal enhances their understanding of a broad range of topics in commercial and investment arbitration. Features include (i) articles covering all major arbitration rules and national jurisdictions written by respected international practitioners and scholars, (ii) cutting edge (case) notes covering recent developments and ongoing debates in the field, (iii) book reviews of the latest publications in the world of arbitration, (iv) Letters to the Editor and (v) agora grouping articles related to a common theme. Arbitration International maintains a balance between controversial subjects for debate and topics geared toward practical use by arbitrators, lawyers, academics, judges, corporate advisors and government officials.
