Women's Studies International Forum

Women's Studies International Forum (formerly Women's Studies International Quarterly, established in 1978) is a bimonthly journal to aid the distribution and exchange of feminist research in the multidisciplinary, international area of women's studies and in feminist research in other disciplines. The policy of the journal is to establish a feminist forum for discussion and debate. The journal seeks to critique and reconceptualize existing knowledge, to examine and re-evaluate the manner in which knowledge is produced and distributed, and to assess the implications this has for women's lives.
