## Organic Agriculture

Official journal of The International Society of Organic Agriculture Research

The journal Organic Agriculture is a multidisciplinary journal aiming to publish outstanding research papers on organic agriculture and related food systems. The journal also includes invited critical reviews on topical issues, and concept notes for the development of organic agriculture and related research. The journal covers the principles and practice of organic agriculture and food systems encouraging papers that provide a systemic, participatory, and interdisciplinary approach to the subject and those proposing innovations beyond current standards or practices.
