

Brepols

Manuscripta

A Journal for Manuscript Research

Manuscripta, published under the auspices of the Knights of Columbus Vatican Film Library, Saint Louis University, publishes articles, notes, and reviews in medieval and Renaissance manuscript studies. The journal focuses on the material aspects of the production, distribution, reception, and transmission of pre-modern manuscripts, including such topics as paleography, codicology, illumination, reading and literacy, textual editing and transmission, library history, catalogues, etc.
