Cahiers Élisabéthains

A Journal of English Renaissance Studies

Founded in 1972 and published uninterruptedly ever since, Cahiers Élisabéthains is an international, peer-reviewed English-language scholarly journal publishing articles and reviews on all aspects of the English Renaissance. The term is given its broadest connotation: subjects have ranged from Chaucer to Restoration drama and beyond. The literature and drama of the Elizabethan period is, however, the focal point of our interest.
