Kwok Tsui, Editor-in-Chief

INFORMS Journal on Data Science

The INFORMS Journal on Data Science (IJDS) is a peer-reviewed journal, aiming to publish top innovative and potentially impactful data science methodologies contributing to decision making in business, management, and industry. By curating and publishing state-of-the-art generalizable knowledge, IJDS provides a dedicated focal pointfor important data science research in sociotechnical aspects of business, engineering, management, and industry, to benefit the scientific community, industry, and society at large. IJDS strives to create an outlet that is aligned with data science authors' and readers' expectations in terms of focus, style, and language
