

Shadow Board Tool Sheets: Black

A challenge within many companies is the management of tools, tooling, and equipment. The use of tool shadow board provides a visual standard for tool and workplace management. All of your 5S, Lean, and Six Sigma workshops should incorporate visual management for proper tool placement as well and management. Our Shadow Board Tool Sheets comes in a variety of colors in order to meet your workplace color schemes or safety and work standard requirements. The use of this shadow tape speeds up daily 5S activities, increases productivity, and improves overall workspace organization standards.
