

Simple Sequences: Colorcards

This title features 48 cards of 2-step and 3-step sequences of everyday activities. At a simpler level than 'Basic Sequences', this pack shows a range of familiar daily activities. Includes 12 two-step sequences showing: cleaning teeth; making jam tarts; tidying the living room; and packing a school bag. A further eight slightly more complex three-step sequences illustrate: doing a jigsaw puzzle; playing a computer game; decorating a cake; and riding a bike. The activities are easy to relate to and show frequently occurring activities within the experience of most users. Intended for use in educational settings and/or therapy contexts under the supervision of an adult. This is not a toy.
