

How's Teddy?: Colorcards

These pocket sized sets of flashcards, comparable in size and quality to a good pack of playing cards - are designed to support teaching and therapeutic input in the clinic, school and home. It introduces feelings in a simple and lively way. There are 18 different attitudes, each illustrated on two cards, in one card of the pair: a teddy shows the feeling. In the second it is a child, but teddy also appears in the picture. It includes: happy, frightened, loving, cold, tired, and strong. Intended for use in educational settings and/or therapy contexts under the supervision of an adult. This is not a toy.
