

Launchpad for a History of World Societies (Twelve Month Access)

This is the access card only and does not include the textbook Long praised by instructors and students for its accessible regional chapter structure, readability, and sustained attention to social history, the new edition of A History of World Societies includes even more built-in tools to engage today's students and save instructors time. The signature focus on social and cultural history and a readable, accessible narrative makes the past palpable for students. A History of World Societies uses vibrant social history to introduce students to the global past. The time-tested regional organization acquaints students with different parts of the world and helps them understand global connections.
